"Foreign Affairs... will tolerate wide differences of opinion. Its articles will not represent any consensus of beliefs. What is demanded of them is that they shall be competent and well informed, representing honest opinions seriously held and convincingly expressed.... It does not accept responsibility for the views expressed in any article, signed or unsigned, which appear in its pages. What it does accept is the responsibility for giving them a chance to appear there."

Archibald Cary Coolidge, Founding Editor
Volume 1, Number 1 • September 1922
